Disclaimers:

1 Versions 2009 – 2011. Excludes conversion of QuickBooks individual payroll transactions. For additional information on conversion limitations, please visit www.sage50accounting.com/qb
2 Requires Microsoft Outlook 2003, 2007, or 2010; Outlook Express 5 or 6; other MAPI compliant email programs.
4 Sage is not liable or responsible for any fines or penalties that may result from errors in your company accounting records. The Internal Accounting Review is not intended to uncover all questionable transactions.
3 Requires Microsoft Excel, Word or Outlook 2003, 2007, or 2010.
5 Features and fees vary by solution. Compliant tax forms and tax tables require a subscription. Subscriptions are auto-renewing and subsequent years will be billed to the same credit card each year on the anniversary date of your purchase at the then current rate. Additional fees apply. Registration, authorized signature, valid email address, Internet access, and credit card required. May be subject to approval. Forms, except W-2s, for PR and US VI are not supported. For details see www.sage50accountingpayroll.com or call 877-495-9904.
7 Regulatory compliance requires paid subscription. Additional fees apply for more than 200 assets.
8 UPS functionality is subject to UPS terms and conditions. Internet access required.
9 When opening more than one company, you will be able to perform all functions except those that require exclusive company access or third-party integrations in companies opened after the first one.
10 Includes Sage Exchange, which is certified to the Payment Card Industry Data Security Standards (PCI-DSS). Requires Internet access.
11 Additional fees required.
12 Outlook Sync supported in Exchange 2000 SP2, 2003, 2007, and 2010.
13 There is a maximum of 20 ship to addresses and 1 billing address per customer. Only 2 contacts per customer can be synced with Outlook.
14 Sage 50 does not impose a hard limit on database capacity, however, individual performance will vary depending on actual number of transactions, database size, and number of concurrent users. Data management efficiencies are also realized in the Sage 50 products.
15 The Sage Business Care Plan (which includes product upgrades, updates, and customer support) will be renewed automatically each year on the anniversary date of your purchase unless you terminate your agreement prior to that date. Renewal is not required to continued access to product updates for supported versions.
16 Multi User licenses available in of packs of 5, 10, 15, 20, 30 or 40. A maximum of 40 licensed, named users is allowed. Only the first 40 named users selected in the user maintenance screen are considered licensed, named users.
17 Customer Support Analysts are available from 8:30 am until 8:30 pm ET Monday-Friday, and reserve the right to limit calls to 1 hour or 1 incident.
